CALL FOR VOLUNTEERS

The Township of Jocelyn would like to host two events this year, the Maple Run and Harvest Fest. In order to make this happen, we are assembling a committee for each. We are looking for volunteers to either: **A.** Join the committee, help plan and launch the event. Or **B.** Register as a volunteer for the event on the day of, only. Offering these events will be dependant on volunteer participation. Let's work together to make it happen!
