SNOW ON ROADWAYS

Blowing or plowing snow from your property onto the street contravenes Section 181 of the Ontario Highway Traffic Act. When you are clearing snow from your driveway, please do not push the snow across the road. Your efforts in making winter driving and walking safe for everyone are appreciated.

WINTER DRIVING

When approaching a plow, reduce speed, keep your headlights on low and stay to the right. If driving behind a plow, keep a safe distance (stay back 200 feet), and remember that the plow may need to back up. If you can't see the mirrors, plow drivers can't see you!
